Use your rational, creative, and perceptual skill to create dynamic, innovative results!

“Living Outside the Box”

Think powerfully outside the box to develop and expand your options! Perspectives on thought and process development.

“You Don’t Have to Lose Your Mind to Find Your Spirit”

Use more of the tools and skills you already have and have fun doing it!

Praise for the Decision Strategy Innovation Approach

“Danute is a talented speaker with extensive experience and knowledge. She seeks to bring wisdom, insight, deeper learning and new perspectives to the attendees; inspiring people to think outside the box, to expand their horizons. I could tell that the attendees really enjoyed her engaging presentation.”

C. S., Asian American Chamber of Commerce, Washington, DC

“We are incredibly grateful for your presentation yesterday and enjoyed your presence in our community. It was evident in the surveys that the key features and take aways were well received...I appreciate your patience and enjoyed all that you had to share.

Super cool presentation — Thank You”

C. M. J., Director UNM GALLUP SMALL BUSINESS DEVELOPMENT CENTER, Gallup, New Mexico

“When I met Danute, I was very unsure of myself and my future. By taking the time to apply what insight I have gained during her coaching sessions, and seminars, I have made huge advances in my career, exceeding my own expectations. She opened a door that I didn't realize was right in front of me.”

J.H., Project Manager, Bethesda, MD
